

Welcome to a Reflection Night

30 October 2003

Young Men's Reflection Night

In both Sydney and Melbourne the Capuchin have been holding reflection evenings for young men who are interested in deepening their faith. There is a lot of networking going on with youth groups in the Archdiocese of Melbourne and Sydney. As the Capuchins become better known in these circles more young men are accepting the invitation to participate in *Reflection Nights* conducted at our Friaries at Leichhardt and Hawthorn.
