SUPPORTING

**The building of a new
chapel and the formation
of new friars**

IN THIS ISSUE...

Dear Friends,

We wish to thank you all for your continuous support, of your prayers and generous donations. Thanks to our benefactors, we are able to continue helping the formation of new friars in Timor. A special acknowledge to donors from Plumpton and Parramatta (NSW) who supported the building of a new chapel and other facilities in Timor.

In this issue we share the latest news from Timor, the Easter activities and all the pastoral work of our **Fr. Luan Le OFM Cap.**

Offering Masses is another way to support our Missionaries. Along with this issue we include forms to join us in the prayers for all loving fathers in the **Novena of Masses Father's Day.**

We kindly invite the devotees of **St. Padre Pio** to celebrate the **Memorial Mass** in September, in honour of the saint, and venerate the two **relics**. Visits are welcome in our office from Monday to Friday (9:00-12:00) at 96 Catherine Street, Leichhardt, NSW.

Our special thanks: to our director **Fr. Greg Rowles OFM Cap** for his spiritual assistance and publications on our two Facebook pages; to our great helper **Maria**, to the Capuchin Friars and all our parish secretaries in Australia.

ALTAR SERVERS VISITED FR. LUAN AT TIBAR

The altar servers from Estado, a village in the mountains, visited Fr. Luan at Tibar and stayed for a weekend. This very active group sing, prepare the church and assist him during the Mass.

They also make bread and cakes every morning to raise funds to support all their activities.

NEWS FROM THE MISSIONS IN TIMOR

(By Fr. Luan Le OFM Cap.)

These are some photos taken during the Holy Week Liturgies at Lebuloa, a village in Timor.

OUR LADY visits the villages during May

Our Lady visited some villages during three days in May, from Tibar to Hatubesilolo.

Building a new chapel in Hatubesilolo

(By Fr. Luan Le OFM Cap.)

The new chapel is being built in Hatubesilolo, it's 16 m long and 8m wide. There will be a sacristy, a rest room, 2 public toilets, 2 bathrooms, a laundry area, a meeting room and a kitchen; a pump and new piping system will be installed to provide water.
